This is not an official degree plan. Check with an advisor; degree plans may change in later catalogs.

¹ Degree plans may change in later catalogs. You may use this pathway if you entered one of the seven colleges on or before this date.

² Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by one of the seven DCCCD colleges awarding the degree.

* There are several options to fulfill this requirement. See your academic advisor for a specific list.

^C This course counts for the Core Curriculum at any public college or university in Texas.

⁺ For students interested in pursuing additional certifications, elective courses in the fourth year can be chosen from recommended electives for those areas (Bilingual, ESL, SPED, etc.).

[^] Students must be admitted to the Emerging Teacher Institute prior to enrolling in these courses.

DCCCD students must earn a grade of “C” or better in English 1301 and the selected college-level mathematics course and receive a GPA of at least 2.50 on all college-level course work for this degree.

UNT-Dallas students may have individual grade or GPA requirements in order to graduate from the university. Please consult with an academic advisor to ensure all requirements are met.
