This is not an official degree plan. Check with an advisor; degree plans may change in later catalogs.

¹ Degree plans may change in later catalogs. You may use this pathway if you entered one of the seven colleges on or before this date.

² Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by one of the seven DCCCD colleges awarding the degree.

[@] All college students with fewer than 12 semester credit hours of successful college credit (grade of "C" or above) must take a student success course in the first semester. **Does not transfer to Texas Wesleyan.**

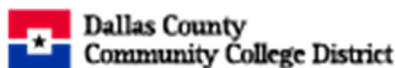

^C This course counts for the Core Curriculum at any public college or university in Texas.

* There are several options to fulfill this requirement. See your academic advisor for a specific list. **MATH 1342 does not fulfill Texas Wesleyan's core and you will be required to take a different math if you do not earn Texas Core Complete.**

+ Elective courses should be selected according to the intended university you will transfer to. See your academic advisor for assistance with course selection. You must earn a grade of "C" or better in English 1301 and the selected college-level mathematics course and receive a GPA of at least 2.00 on all college-level course work.

(j) Course numbers shown in parentheses are equivalent to these courses at Texas Wesleyan University.
