

Respiratory Care to
BAAS in Applied Leadership
Guided Pathway
Effective for the 2016-2017 Catalog

PREREQUISITES
◌ BIOL 2401 – Anatomy and Physiology I (030)
◌ BIOL 2402 – Anatomy and Physiology II (030)
HPRS 1204 – Basic Health Profession Skills
HPRS 1272 – Microbiology for Health Professions

First Year - Collin County Community College

FIRST SEMESTER	SECOND SEMESTER
RSPT 1160 – Clinical I - Respiratory Care Therapist	RSPT 1361 – Clinical II - Respiratory Care Therapist
RSPT 1201 – Introduction to Respiratory Care	RSPT 1411 – Respiratory Care Procedures II
RSPT 1307 – Cardiopulmonary Anatomy and Physiology	RSPT 2217 – Respiratory Care Pharmacology
RSPT 1410 – Respiratory Care Procedures I	RSPT 2310 – Cardiopulmonary Disease
	◌ PHIL 2303 – Introduction to Logic* (040)

SUMMER
RSPT 1362 – Clinical III - Respiratory Care Therapist
RSPT 2471 – Respiratory Care Procedures III

Second Year - Collin County Community College

It's best to apply to Texas Tech a full semester before you plan to transfer. It will help if you submit a copy of this pathway with your application.

FIRST SEMESTER	SECOND SEMESTER
◌ PSYC 2301 – General Psychology* (080)	◌ ENGL 1301 – Composition I (010)
RSPT 2255 – Critical Care Monitoring	RSPT 2130 – Respiratory Care Examination Preparation
RSPT 2353 – Neonatal / Pediatric Cardiopulmonary Care	RSPT 2139 – Advanced Cardiac Life Support
RSPT 2360 – Clinical IV - Respiratory Care Therapist	RSPT 2147 – Specialties in Respiratory Care
	RSPT 2231 – Simulations in Respiratory Care
	RSPT 2361 – Clinical V - Respiratory Care Therapist (Capstone)

AAS: Respiratory Care

You will need to apply for the associate's degree at your community college. Contact your advisor there for more information.

Third Year - Texas Tech University

FIRST SEMESTER	SECOND SEMESTER
◌ ENGL 1302 – Advanced College Rhetoric (ENGL 1302)	◌ MATH XXXX – See TTU BAAS Academic Advisor (090M)
◌ MATH XXXX – See TTU BAAS Academic Advisor (020)	◌ HIST 2300 – History of U.S. to 1877 (HIST 1301)
Concentration Area	Concentration Area
Concentration Area	Concentration Area
Concentration Area	Concentration Area

Summer - Texas Tech University or Collin County Community College

FIRST SEMESTER	SECOND SEMESTER
◌ POLS 1301 – American Government (GOVT 2305)	◌ POLS 2302 – American Public Policy (GOVT 2306)
◌ Oral Communications core (090C)	◌ Creative Arts core (050) [consider a course that also meets multicultural requirement (MULT)]

Fourth Year - Texas Tech University

FIRST SEMESTER	SECOND SEMESTER
◌ HIST 2301 – History of U.S. Since 1877 (HIST 1302)	Additional 3/4000 level coursework as needed. ¹ See TTU BAAS Academic Advisor.
Multicultural Requirement (needed if 050 is not MULT)	Concentration Area
Concentration Area	Concentration Area
Concentration Area	Concentration Area
Concentration Area	INTS 4350 - Capstone in Integrative Studies

This is not an official degree plan. Check with an advisor; degree plans may change in later catalogs.

Part-time students may also follow this sequence. Developmental coursework may be required.

Respiratory Care to
BAAS in Applied Leadership
Guided Pathway
Effective for the 2016-2017 Catalog

Notations:

- * You may take a different course to meet this requirement. A specific list is available from your advisor.
- C This course counts for the Core Curriculum at any public college or university in Texas.
- () Course numbers shown in parentheses are equivalent to these courses at Texas Tech University (TTU).

TTU Degree Requirements

1. Hours

Students seeking the 120-hour Bachelor of Applied Arts and Sciences (B.A.A.S.) in Applied Leadership degree must first obtain an associate degree from an approved institution. Students will complete a minimum of 60 semester credit hours at Texas Tech University beyond the AAS degree. A minimum of 40 of the 120 hours for the degree must be at the junior/senior level and fulfill degree requirements for the BAAS in Applied Leadership degree as specified in the "General Requirements" in the Undergraduate Academics section of this catalog.

2. Major

a. Occupational Specialization, 36 Hours.

The Occupational specialization is comprised of courses related to a specific occupation, field, or subject. This requirement typically consists of field-specific coursework completed for an Associate of Applied Science (A.A.S.) degree at a community college. Active-duty military or veterans may receive credit for technical or other formal training courses under this component of the degree plan. Other students who have not completed an occupational specialization through courses taken in a community college or in the military may create one by selecting a primary area of study.

b. Professional Development Concentrations, 36 Hours.

Student will choose two separate, multidisciplinary concentrations of 18 semester credit hours each for a total of 36 hours to enhance the skills acquired by the associate's degree or that compliment themes of interest in the degree.

Concentration I: 18 semester hours of coursework from one of the concentration areas offered through the B.A.A.S. (areas of concentration include human resource development, agricultural leadership, or studies in personal finance) and approved by a B.A.A.S. advisor. Refer to [Undergraduate Fields of Study](#) in the TTU Catalog and a B.A.A.S. advisor for other approved areas.

Concentration II: 18 semester hours approved by a B.A.A.S. advisor

c. Writing Intensive – 6 hours

Students must complete 6 hours of writing intensive coursework within the major discipline(s). INTS 4350 will satisfy 3 hours of this requirement. Students will need to select one additional 3-hour writing intensive course within the major.

3. Core Curriculum

Students must complete the State of Texas core curriculum which consists of a total of 42 semester credit hours. Core curriculum courses taken at the sending institution and marked as core on the sending institution's official transcript will transfer to TTU and be applied to BAAS as core curriculum. Students will select additional approved Texas Tech courses deemed by a B.A.A.S. advisor as appropriate to the degree.

4. Capstone - INTS 4350

5. Uniform Graduation Requirements

a. Foreign Language Requirement - credit for two years of the same language earned in high school or two semesters (or its equivalent) of a single foreign language at the first-year college level.

Students need to submit an official high school transcript when applying to the university documenting language credits earned in high school to determine whether additional language is needed.

b. Laboratory Science Requirement - two semester credit hours of science laboratory courses. Labs should correspond with the lectures completed.

c. Multicultural Requirement - In addition to the State of Texas core curriculum, every student must complete at least one 3-hour multicultural course or its equivalent that focuses explicitly on the distinctive subcultures of the United States or on the culture of another society. The following are Texas Common Course Number courses that will apply toward both a core requirement and the TTU multicultural

requirement: ARTS 1301; ANTH 2346 or 2351; HUMA 2323; GEOG 1302 or 1303; PHIL 1304; or SOCI 1301. Other course selections are available at TTU for fulfilling this requirement.

6. Additional Notes

- a. The BAAS in Applied Leadership program is administered by the Office of the Provost. Interested students should contact the student services center in University Studies (806.742.7100). Website: www.depts.ttu.edu/universitystudies.
- b. The maximum number of transferable semester credit hours from a two-year institution applicable to the degree is 80.
- c. The following credit may be submitted for consideration:
 - i. Credits may be awarded for military training Community College of Air Force (CCAF) or American Council on Education (ACE)
 - ii. Academic credits from regionally accredited institutions of higher education may be transferred into the program. See www.admissions.ttu.edu/index.php/admission-financial_aid/transfer-2/.
- d. Texas Veterans may be eligible for Hazelwood Financial Assistance. Refer to the university's Military and Veterans Programs office for more information: www.mvp.ttu.edu.
