You must earn a grade of "C" or better in English 1301 and the selected college-level mathematics course and receive a GPA of at least 2.00 on all college-level course work.

Approved: 2019-2020 Guided Pathway

Degree availability varies by campus; consult www.tarleton.edu for more information.

CHEM 1411 has a prerequisite of MATH 1314, or equivalent academic preparation, prior to enrolling in the course.

Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by one of the seven DCCCD colleges awarding the degree.

You should consider completing CHEM 2423 – Organic Chemistry I before transferring to a university.

To register for MATH 2413, students must have completed the prerequisite math courses as follows: MATH 1314, MATH 1316, MATH 2412

All college students with fewer than 12 semester credit hours of successful college credit (grade of "C" or above) must take a student success course in the first semester.

This course counts for the Core Curriculum at any public college or university in Texas.

Course numbers shown in parentheses are equivalent to these courses at Tarleton State University.

Biology for Science Majors I and II may be completed at DCCCD or TSU.
